

NEW Registration and Title Application Instruction Guide

This guide was developed to assist customers and business partners with the transition from the current RMV-1 and RMV-3 forms to the new Registration and Title Application (RTA). The RTA combines and replaces the RMV-1 and RMV-3 forms and should be used for the following transactions:

- Register and title a vehicle
- Transfer plate to a new vehicle
- Reinstate a registration
- Apply for a salvage title
- Apply for a title only
- Apply for a registration only
- Transfer a plate between two vehicles
- Register previously titled vehicle
- Title previously registered vehicle
- Transfer vehicle to surviving spouse
- Change plate on existing vehicle with no amendments
- Renew a registration
- Amend a registration

Transition Timeline

Tuesday, November 12th – Friday, December 13th – Acceptance of Current RMV-1 and RMV-3 form

The RMV-1, RMV-3 and new Registration and Title Application (RTA) will be accepted, regardless of the Policy Effective Date or Policy Change Date listed.

Monday, December 16, 2019 – New Registration and Title Application Required

Beginning on Monday, December 16, 2019 the new Registration and Title Application (RTA) will be required. The RMV-1 and RMV-3 forms will no longer be accepted as of this date.

New Information Required

Trim – The trim level is a version of the vehicle model, which defines the different features and options (e.g. SL – Standard Level, LE – Luxury Edition) that will be collected to determine accurate vehicle value.

Owner ID Requirements – A customer must select and provide proof of the identification document being used for registration purposes. See Section 4 of the instructions for additional detail.

USDOT Number and TIN - Effective September 1, 2018 motor carriers with vehicles that fall into the categories listed in Section 6 of these instructions were required to obtain a USDOT number under 540 CMR 2.22 (2). The RMV will now begin collecting the USDOT number (e.g. 123456) and associated Tax Identification Number (TIN). The TIN is either the motor carrier’s federal identification number or SSN.

Garaging Address – A full garaging address (e.g. street, city, state, zip) will be collected rather than just the city/town to improve excise billing practices. This is the address where the vehicle is physically located or garaged overnight.

Purchase Information – The answers to the series of questions in this section of the application will be used to determine the sales tax amount due and whether it is required in situations where the vehicle registration/title is being converted to MA from another state.

Visit mass.gov/RMV for a fillable version of this form and for additional information about the documentation required to process Registration and Title transactions.
