Exclusive Features

WineRe's™ exclusive features are at the forefront of industry protection to secure your winemaking operations beyond the policy.

Winemaker Loss Control

WineRe offers a systematic integration of NFPA protocols, with specific consideration of the nuances and exposures innate to winemaking, while simultaneously validating program participation.

Proprietary Stock Valuations

We use a proprietary stock valuation method evaluation and collaborate with industry experts to ensure that claims are handled in an efficient and timely manner.

Stop Loss Limit Approach

The WineRe™ approach to property insurance is intended to allow for numerous property coverages to be triggered using a single property deductible.
