

Workers' Compensation Program

Transportation Specialists

With over 20 years of combined experience and knowledge, Paragon's Workers Compensation division is your transportation go-to. By utilizing service specific to transportation risks and exposures, we provide more than just insurance. Our program helps lift your business with exclusive risk control, dedicated claims teams, and simplified accounting. With multiple A- (VIII) carrier partners, we write on a nationwide basis, and with capacity for risks of all sizes. We work at the speed of your business.
